

# Blessing's Story

---

Blessing's face was destroyed in a horrific accident that took place in Zimbabwe when he was 9 years old. Under the care of Dr. Joel Berger, a Sharp-affiliated oral and maxillofacial surgeon, and a team of surgeons at Sharp Memorial Hospital, Blessing underwent reconstructive surgery that truly changed his life.

## Stories of The Sharp Experience Television Documentary

Produced on location at Sharp hospitals and medical facilities, our award-winning documentary series features real-life stories of hope told as they happened by patients, families and caregivers.

...witness the inspiring work of Sharp caregivers in the latest episode of our compelling documentary series.
